

# Talia Draper Photography

## Session Fee: \$75.00

Session fee includes 1-2 hours of the photographers time and talent capturing your special moments. The session fee also includes post session editing of your images.

\*\*Note for family sessions: Each session is intended for **one** family as a whole and will result in 20-30 fully edited images for your purchasing. If there are multiple families attending the shoot and the photographer is asked to take separate shots of each family, there will be an additional charge of \$35.00 per family.

## Individual Prints:

|          |                   |
|----------|-------------------|
